

Letter of Support From Bonnie & Mahesh Chavda

"We are so proud to be called your friends and family in the Lord."

Open letter to the Olivers and Family Christian Center:

Dear Rich and Lindy, Matt and Siobhan and Family Christian Center,

We are so proud to be called your friends and family in the Lord. Your testimony and faithful unswerving devotion to God and the community at large in Orangevale and beyond over the years remains an inspiration and beacon of grace for all of us.

Thank you for your ongoing insight, shepherd's hearts and vision. Thank you for your love and constant unselfish labor to reach out to needy, broken, confused and just plain spiritually thirsty people from every walk of life. We so appreciate the fruit in the lives of hundreds of young people through Club Retro and your extended hands through the church ministry as a whole. We consider this church and ministry to be one of the truly apostolic ministries called to manifest the light of Christ, the compassion of the heavenly Father and the anointing and grace of the Holy Spirit in this hour. The integrity in which you always conduct yourselves makes us so very proud to be aligned with you — but even more to be called your friends.

Rich, your father heart, your generosity and devotion together with Lindy and the manifold grace she carries gives us full confidence in God in you. Matt and Siobhan, your amazing faith and strength of heart makes us all dance to the heavenly sound. Thank you for continuing to influence and undergird hundreds of leaders and churches around the world.

We are so proud of you all at Family Christian Center. We see the Lord in you and with you. We see the demonstration of His love and wisdom flowing through you in grace as He has these many years. We know that the church, each family and the ministry as a whole are being prepared to go to the next level of faith and demonstration of God in Person and Presence in Orangevale and beyond.

In these days of transition regarding your physical facility we know yours will be an exemplary testimony. We look forward with you to the next stage of destiny. It is our privilege to reaffirm our gratitude and love and we are certain the latter house will be greater than the former one. Go forward! Pursue overtake and recover all. The kingdom of God is cheering you on and darkness trembles because of you. These will be days of greater glory and increased favor.

With all our hearts, Mahesh and Bonnie Chavda

P.S. Just so you know — there will always be rice on the altar wherever you are!!!
