

Open Letter of Support from Dan McCollam

"We stand with you for the finances and the grace for this physical move."

Rich,

Just wanted to take a moment to say that we are praying for you and standing with you in your church relocation. I have personally seen such wonderful growth in your people in the last year or so and can testify that Family Church is very much alive and well! I have had some of the largest crowds ever for Friday nights on Fire. The hunger of the people, the level of worship, and the gathering of people of all ages is wonderful!

We stand with you for the finances and the grace for this physical move. Our church will be taking an offering to join with you in the fight. Thanks for your faith and courage in this process. In times like these we prove that the church is so much more than a building --- it is the living stones of people totally sold out to Jesus. We are praying that the new location will refresh those who already attend the church and draw new folks from your expanded harvest field.

Love and blessings,

Dan McCollam The Mission – Vacaville and Sounds of the Nations, iWAR
