

### ***Letter of Support from Dave & Debbie Crone***

*"We have been so honored to partner with you in expanding the Kingdom of God over the last decade."*

Dear Rich and Lindy and the church at Family,

We have been so honored to partner with you in expanding the Kingdom of God over the last decade. You have been faithful stewards of revival fires in such a passionate way, that our community of faith here in Vacaville and many others around the nation have been hugely enriched and encouraged. We would not be what we are without you.

You do not stand alone in this time of transition. The community at The Mission stand with you and believe in you. We look to the future, anticipating that the years ahead will be your greatest.

Proud to be your friends,

David and Deborah Crone and the people of The Mission.
