

### ***Letter of Support from Johnny Zapara***

*"They have faithfully served their community for many years in ways no one else dared even try and have seen much fruit as a result."*

Family,

After reading the front page Bee article on Family Christian Center I just wanted to say what "stand-up" people the Olivers are and the people of Family. They have faithfully served their community for many years in ways no one else dared even try and have seen much fruit as a result. Though they will be moving, they will not stop ministering. I have appreciated and benefited from their ministry many times and look forward to how the Lord will continuing using them in their new location.

Blessing on you Family,

Johnny Zapara, Senior Pastor
