

Letter of Support From Bill & Beni Johnson

"We stand in loving support of you and Family."

Rich,

We stand in loving support of you and Family. Your influence in the body of Christ has a positive effect on us all. Thanks for making the stand you have for the outpouring of the Spirit. While the circumstances you face today are trying, we stand with you joyfully, knowing that God will once again have the last say.

Much love,

Bill & Beni Johnson Bethel Church Family
