***"We love you guys so much and stand with whole Family Church of Sacramento in this moment when faith turns into reality!"***

Pastors Rich & Lindy and the Family Crew,

We love you guys so much and stand with whole Family Church of Sacramento in this moment when faith turns into reality! When the kingdom of God is demonstrated through God taking your challenges and building something miraculously creative from them. *"Stand and see the salvation of the Lord as this battle is not yours... it's mine! says the Lord."* We will inquire from Father what our part is and send that along with in the recommended timeframe. Thank you for sharing your strength in the process.

Love, Blessings and Unlimited Resources be yours in Jesus' Name!
